THE M. P. R. S. CLASS OFF AGAIN.

A Trip to Naval Aircraft Exhibition.

Last week our class took a trip to the naval exhibition. Ted Artman on his first trip with us took the part of an ostrich. No use trying, Ted, to hide behind the planes with your big feet showing beneath. And talk about your free admission. We sure did come along at the right time to witness a duel track meet at Franklin Field.

The Treat at Last.

After waiting a whole month, the fellows who were on the winning team at Footey's Social were treated by the losers during the May Social held at Bowen's last week. As a closing feature of the evening the losers performed by some original poetry about the Nutty Nuts and presented each winner with a peanut.

Fishing Again.

On Saturday, May 17th, we will roll out at 5 A. M. for an early start on an all-day hike and taking our uncooked breakfast and fishing for our dinner.

STOP THE LEAKS.

Women's Auxiliary to the Rescue.

The roof of our fine Y. M. C. A. building has developed some very bad leaks during the past winter, and when inspected by an expert roofer was found to be beyond repair. It had lived the natural life of a slag roof.

The estimates that were made for replacing this roof were no lower than the present grade of "popular" prices charged for all other necessities of life. There was little comfort for the Directors when these estimates came to their attention.

The champion burden bearers, the Women's Auxiliary, came to the rescue, however, and determined to make the new roof a possibility. They have raised enough money to order the work commenced. Last Wednesday afternoon in special meeting this step was authorized. A staunch supporter of the Y. M. C. A. has volunteered to put his personal guarantee on the Auxiliary's order for this new roof. This friend knows the organization he offers to back. He knows that they have never failed in anything they have undertaken and feels confident that the guarantor will never be called on.

A Rummage Sale in the near future is being planned to help meet the new roof bill.

Yes, Earl Price is home safe and sound.

That little old sunshine was welcome on Tuesday morning.

Heater fires and overcoats were quite comfortable over the week-end.

INFORMATION WANTED—Does anyone in Narberth know Emil Dohme? If so, please advise postmaster.

Marion Haws and Marion Graham have returned from a trip to Niagara Falls.

Tom Small has returned from France, much to the delight of his mother and friends.

Charles Ensinger, of this town, is among the recent arrivals of khaki-clad boys from France.

Mr. and Mrs. Gerald Tamblin, of Dudley avenue, have returned from a visit to Wilkes-Barre.

Memorial services will be held in the Presbyterian Church on Sunday morning, May 25. Seats will be reserved for enlisted men.

Our Town acknowledges with thanks receipt of check for \$20.00 from the Narberth Building and Loan Association, as a donation for the good cause for which this paper is published.

Rev. Frank M. Gray, pastor of the Methodist Episcopal Church, has returned home with his family, after enjoying several days at Ocean City, as guests of Mr. and Mrs. Frank H. Prescott, 226 Essex avenue, who have a cottage there.

A meeting of directors and members of the Needlework Guild was held Wednesday afternoon at the residence of Mrs. John A. Caldwell, 122 Elmwood avenue.

The Fortnightly Club closed its season last Friday by a most delightful trip to the home of Mrs. F. H. Harjes, Jr., near Valley Forge. The full membership of the club was present. The main feature of the occasion was the bountiful luncheon which was served, followed by a business meeting. Mr. and Mrs. Harjes, who moved from Narberth about a year ago, have a charming country home in this historic region.

Among the most notable photoplays to be shown at the Palace Theatre, Ardmore, is "Daddy Longlegs," with Mary Pickford the star. In its original form the play achieved great success on the stage and as a photoplay the greatest Mary Pickford has ever done. This is the first of a series of stage plays in which our little Mary will be seen and will soon be followed by "Pollyanna," another well-known story. Charlie Chaplain in "Sunnyside," the next of his million dollar series, is another important attraction to be shown soon.

Alba B. Johnson, of Rosemont, on Friday tendered his resignation as President of Baldwin Locomotive Works, and was succeeded by Mr. Samuel M. Vauelein, of Rosemont, who has been Vice-President of the big plant since 1911. Mr. Johnson, who was connected with Baldwin's concern for 42 years and had been President for eight years, attributed his retirement to a desire to devote more of his time to personal matters and those of public interest. Mr. Vauelein declared there would be no change at this time in the policy of the management.

LAST CALL FOR THE RUMMAGE SALE.

Darlington (phone No. 623 R). Nothing is too old to be of some benefit to us.

There will be an attractive program under direction of Mrs. George Merritt Davis, chairman, and we will be glad to welcome a large number of members and friends of the Y. M. C. A.

WAR STAMPS.

To invest in War Stamps is not only a patriotic duty which all of us should regard, but it is an investment which cannot be beaten because of the rate of interest paid and the privileges connected with it. Union County, Pa., has purchased \$3.19 per capita for 1919, and three months of the year have not passed. Montgomery County has purchased \$.55 per capita and Narberth \$.85 per capita. The good patriotic people of our town should give proper attention to War Stamps.

Editorial

To the Editor of Our Town:

Why not a town library as a memorial for the Narberth boys who fought in the Great War?

To any one coming from "Down East" the beauty of these Pennsylvania towns, with their picturesque houses, their wealth of flowers and shrubs, is a revelation. But where are your libraries? Don't you ever read? There is Narberth, a little hill town in New England but can boast a better library than Narberth (if indeed the miscellaneous huddle of books in the Y. M. C. A. is worthy that name). These library buildings are not necessarily large nor open possibly more than two afternoons and evenings a week. But they contain a growing collection of books, properly classified and catalogued, the leading magazines and often town relies of no small value.

There is no habit so easily cultivated in children as the love of reading, nor one which if properly directed will contribute so much to the child's development and value as a citizen.

The library is, or should be, a most important adjunct to the schools. How can your grade teachers direct their pupils in supplementary reading without a library? How can your High School pupils be taught that most important part of education, to learn not from text-books but from sources, without a library? And finally, how can the average man get anything to read, whether he wants the newest detective story or a history of the War, without a library?

A clock tower has been suggested as

a memorial here in Narberth. When your boys marched away they sacrificed not money, or houses, or land, but hopes, ambitions, their very lives. Why do you make your memorial a mere pile of stones? Why don't you plan something that will enrich, broaden the lives of the future generations, that the torch of civilization they so bravely upheld may burn the higher? W.

RESOLUTIONS.

The following resolution was passed at a meeting of Council held on May 12th, 1919:

Whereas, The Council of the Borough of Narberth has heard with deep regret of the untimely death of Arthur V. Emmet, physical instructor in the Narberth Public Schools, and,

Whereas, It is the sense of the Council that the community has sustained an irreparable loss in his sudden removal; now therefore be it

Resolved, That the Council of the Borough of Narberth hereby officially records its regret at the death of Mr. Emmett, and be it further

Resolved, That these resolutions be spread on the minutes of Council; that a copy be sent to the family of the deceased, and that a further copy be published in Our Town.

W. R. D. HALL,
President of Council.

Attest:

CHAS. V. NOEL,
Secretary of Council.

SALVATION ARMY DRIVE FOR FUNDS.

United States Senator Watson will address a meeting in Philadelphia on Sunday night next at the opening of the Salvation Army drive for funds to conduct its home service. Former Lieutenant-Governor Frank B. McClain will preside and George Wharton Pepper will be the other speaker.

The Senator from Indiana is one of the Salvation Army's most enthusiastic supporters and is confident that the appeal for \$13,000,000 in the United States will be answered with an oversubscription.

Mr. McClain, who heads the Pennsylvania Committee in charge of the drive, believes that the public, influenced by the favorable comments of returning soldiers, will give generously to the solicitors.

"Other than the tremendous appeal attached to anything connected with the Salvation Army, the outstanding feature of this drive is the modest frankness of the Salvation Army officers," said Mr. McClain.

"Three months ago they made up a list of their expenses for 1919-20, allowing for the necessary new buildings they need to carry on their relief work among the poor and distressed. The total for the country was \$13,000,000, and that was the sum they set as their goal.

"Pennsylvania will contribute well over its quota of \$2,000,000, and all of it will be expended on Salvation Army service in this State."

In honor of the Salvation Army, the American International Shipbuilding Company will launch an 8,500-ton freighter early next week. She will be christened "Salvation Lass."

Cub's Weekly Letter

To the Editor of Our Town:

It may be the natural reaction after several Liberty Loan and War Chest campaigns, crime waves, etc., etc., and on the other hand the foolish kind of weather we haven't been enjoying may be responsible, but the fact is quite apparent that the Town has lapsed into sort of after dinner doze and needs something to awaken it. My own version of this apathy, laziness or whatever you chose to call it, is the utter lack of proclamations from the Executive Mansion of late. You know that we used to be fed up on that sort of thing at short and regular intervals, but since the war has been won and admittedly because of that now world famous slogan, "Save the Powder for Pershing," the illustrious author of the latter has ceased to startle an admiring and waiting world with his remarkable manifestos. It seems to me the issuance of

a new slogan, proclamation or something of the kind would set things going again, and it is to be hoped that before long his Excellency, the Burgess, will drop his lawn mowing for a time and consider the needs of his loyal subjects.

I would suggest as a starter that he order the immediate execution of the Shade Tree Commission, which he appointed some time ago. Of all the many neglected looking trees one can find anywhere those in this Town are the worst. Tree trimming is certainly a lost art around here. If there's one thing that's essential to the beautifying of a town, it's properly cared for trees. We have laws on the subject, but either they or those supposed to enforce them are dead. You know what happens after a rain-storm—low hanging limbs and twigs catch you in the eye and knock off your hat or some prejecting shrub caresses your collar or knocks off your glasses, just because someone is too lazy or too unmindful of the comfort of his neighbors to use the pruning shears for a few minutes each season.

Among the prominent Narberthians seen at the Ardmore movies last Saturday night were the Count and Countess Du Marais, the Irish Baron W. J. Mulholland and Mrs. Mulholland, Mrs. Cub and husband.

By the way, the Count is seeking an India rubber automobile. He finds it impossible to drive a car without being run into by some fool chauffeur, and he believes his only salvation is in driving a machine that can stand being banged all over the lot and not mind.

Don't pay any attention to that announcement in last week's issue about planting dahlias now. Wait until June 1st at the earliest.

Did you notice the expression "Dahlia Kings and Queens." There is but one potentate in that line, and he is the first and only genuine Dahlia King. It's only my extreme modesty that prevents my mentioning his name.

Sunday seems to be coming quite the popular wash day in Narberth. If cleanliness is next to Godliness, it would be quite the proper thing to tackle the family wash the day after Sunday, but many of our thrifty neighbors having learned many lessons in conservation during war times, are attempting to crowd the practice of both the aforesaid virtues into one day. Right here may arise doubts on religious grounds of the consistency of this procedure, but you can't get me into any argument about that.

The casual traveler through our fair city is impressed by the scenic beauties unfolded before him while walking or riding past palatial homes—on Price avenue notably—the white unmentionables on the lines presenting a vivid contrast to their backgrounds of deep green privet hedge and dandelion infested lawns.

"I always try t' be cam an' judicial at election time," sez Ed Haws, our alert and efficient Postmaster. "I listen attentively t' all th' (semi) pros an' (bull) cons, weigh 'em carefully, an' then, with an on-prejudiced mind vote th' straight dimmyeratic ticket."

The funeral services on Friday were largely attended. The places of business at the suggestion of the Burgess were closed for an hour. The whole town was in mourning. When the 3.40 express stopped at Narberth to take on the funeral party the platform was crowded with old and young—not curious onlookers, but silent and thoughtful sympathizers.

The burial took place in Harrisburg on Saturday afternoon. Representatives of the faculty and student body accompanied Mrs. Emmett and brought her along back to be among her many friends. Mrs. Emmett will remain here for a week, then go to Harrisburg for the remainder of May. During the months of June, July and August her apartment will be sub-let and in the fall she expects to return to make her permanent home among us.

Through the medium of the School Notes, Mrs. Emmett and family wish to tender their thanks for the unusual sympathy, comfort and aid extended to them during the week of the operation and funeral. "Never have I heard of such kindness," said Mr. Emmett's father.

MAIN LINE LEAGUE TO PLAY 20-GAME SCHEDULE

Final plans were perfected for the six-club circuit of the Main Line Baseball League, at the monthly meeting, the season opening on May 17. Several amendments to the constitution and by-laws were approved and the schedule for a 20-game season duly adopted, to be played in two halves, the first closing with the morning and afternoon games of July 4. The holiday falling on a Friday, the Board of Directors allowed July 5 as an open date, the last half opening on July 12 closing on Labor Day.

Clubs will be allowed a player limit of twenty, changes on which eligible list can only be made on five days' notice, only such players participating in games with a penalty against any infraction by forfeiture of the game. Players to be eligible to play in the last two games of each respective half season must appear in the box score of the said club of which he is to become eligible, at least two games prior to the last two games.

Narberth Army and Navy Register

A PERMANENT RECORD BOOK ON FILE AT POST OFFICE.

The usual patriotic interest of Mr. Robert H. Durbin has prompted him to prepare the "Narberth Army and Navy Register," a very beautiful and appropriate permanent record book for our Soldier and Sailor Boys, residents of Narberth, who served their country in the World War.

All of us are proud of the record of these boys. We want the essential facts recorded, not only for its present value, but for the invaluable service it will be to the future generations. The time to record this information is the present, when it is fresh in our minds and the facts may be verified.

The Record Book is on file at the Post Office. Mr. Haws, the Postmaster, will be glad to assist the parents of the boys, or anyone interested, to make the proper record. Be prepared to give the following information:

Name.
Rank.
Organization.
Enlisted Date.
Training Camp.
Over Seas.
When Left U. S.
When Returned U. S.
Active Service.
Sectors.
Battles.
Engagements.
Wounds.

Discharged Date.

CONSTITUTION OF THE NARBERTH CIVIC ASSOCIATION.

I. Name. The name of this organization shall be the NARBERTH CIVIC ASSOCIATION.

II. Object. The object of the Association shall be to improve and beautify the Borough and vicinity, and assist and co-operate with the authorities in enforcing laws and ordinances relating thereto; to promote any project having for its purpose the betterment of the community as a whole; to provide a means of acquiring and disseminating information on any subject of general interest; and to foster and maintain a fraternal spirit among the people of our community.

III. Membership. All persons residing in this community are members and are entitled to attend meetings of the Association and avail themselves of its benefits.

IV. Dues. The annual dues of voting members shall be ONE DOLLAR, payable at the time the application is received and annually thereafter at the time of the annual meeting.

V. Officers. The officers of the Association shall be composed of voting members, and shall consist of a President, three Vice-Presidents, a Secretary and Treasurer, and a Board of Directors consisting of fifteen members. Each of the foregoing officers shall hold office for the term of one year. The President, Vice-Presidents and Secretary shall, by virtue of their office, be members of the Board of Directors, and shall preside at its meetings.

The Board of Directors shall choose from their number four persons who, with the President of the Association, shall constitute an Executive Committee, of which the President shall be Chairman, which Committee shall have power to transact any business of the Board; provided, that any act done by them shall be subject to the approval of the Board of Directors.

There shall be no regular meetings of the Board of Directors, but meetings shall be held from time to time as the business and interests of the Association may require. A majority of the Board shall constitute a quorum.

VI. Meetings. An annual meeting of the Association for the purpose of electing officers and for transacting such other business as may come before the

meeting, shall be held during the month of March of each year on such date as may be fixed by the Board of Directors or by the Executive Committee.

There shall be no other stated meetings of the Association, but meetings shall be called by the President at any time upon the request of the Board of Directors, or of the Executive Committee, or upon the written request of any ten voting members who shall state in writing the purpose for which they desire such meeting to be called.

Whenever a meeting is to be called, it shall be the duty of the Secretary to post on the bulletin board a notice of the time, place and object of such meeting. Such notice shall be posted as long before the date of meeting as circumstances permit, in order that all members shall have reasonable opportunity to attend the meeting. But in no case shall a meeting be convened on less than twenty-four hours' notice.

Twenty voting members shall constitute a quorum.

VII. Amendments. This Constitution may be amended at any time by vote of two-thirds of the members present and entitled to vote, provided thirty days' notice of the meeting and of the proposed amendments shall have been given.

A meeting of the Directors and members of the Needlework Guild will be held on Wednesday, May 14th, at 2.30 P. M., at the home of Mrs. John A. Caldwell, No. 122 Elmwood avenue.

We will be glad to book order for Jeddo Coal during the month of April at prices prevailing in Philadelphia and vicinity.

Most of you know that this coal is the best that comes to market, and to those of you who don't, we have no hesitancy in proclaiming the fact that if better coal exists anywhere in the wide earth it has not as yet been discovered.

Our thought is that the Coal Business will be slow this Spring and Summer, to be followed by a stampede in the Fall. Take our advice and order early, and don't forget to order from us, where you will get good coal and lots of appreciation furnished f. o. b. with the goods.

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsmen, and who is progressive enough to add name to list of Register.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.
